VOLUME NUMBER XXXIX. CANYON, TEXAS, THURSDAY, JULY 18, 1935 NUMBER 18

OBJECTIVES FOR PALO DURO ARE OUTLINED

Hospital Attorneys Are Named Yesterday

APPLICATION IS BEING MADE FOR HOSPITAL

Gamewell and Stuart to Represent County City

$50,000 IS GOAL

PWA Will Give 45% of Total—Bond Issue Balance

Attorneys were employed yesterday by the city and county to prepare application for a PWA grant-loan for a $50,000 hospital. W. I. Gamewell will do the local work and Senator R. A. Stuart of Fort Worth will be consulting attorney. Both are thoroughly familiar with PWA requirements, and are handling the projects for W. T.

Considerable work has been done toward preparing the application for the hospital, and this application will be ready to file within the coming week. Senator Stuart will present the application to the Fort Worth office when it is ready.

Bond issues will be necessary for the city and county to finance the hospital. Those who have investigated have reached the conclusion that the hospital will be practically self-supporting from the very start owing to the fees which will be paid into the institution by the students of W. T.

After the project has been approved by PWA, the bond elections will be called for the purpose of voting bonds to finance the hospital. The government will give 45% of the total cost to the building and local citizens will be called upon to vote bonds for the 55%.

Sons of Confederates Will Be Organized In Canyon for Reunion

Organizations of Sons of Confederate Veterans camps in cities throughout the Panhandle Plains region to assist in welcoming and entertaining the survivors of those who followed the "Stars and Bars" during their reunion in Amarillo, September 3 to 6, is now in progress.

General headquarters of the Sons of Confederate Veterans at Richmond, Va., and Texas State headquarters at Dallas, have designated Carl Hinton, Past National Commander, as Director of all organization work in this section.

Sons, grandsons, and great grandsons of Confederate Veterans are eligible for membership in this internationally-known organization. Those eligible can either join the Plemons-Shelby Camp at Amarillo, or form a camp in each of the cities in the Panhandle-Plains.

Plainview is one of the first cities to begin organization of a local camp, several citizens there having recently invited Mr. Hinton to assist in that detail. Pampa, Lubbock, Dalhart and Canyon are among other cities preparing for organization work.

Dues are $5.00 the first year and $1.00 each year thereafter. Practically all funds derived from this source are to be used in housing and feeding the veterans and widows of veterans during the forthcoming reunion.

Mr. Hinton has volunteered to visit any town in this section, at his own expense, and assist in organizing local camps.

LOUIS UPCHURCH HONORED

According to a report from the A. & M. College Registrar, one of the 144 designated as "distinguished students" at the College for the regular session of 1934-35, was Louis Upchurch of Canyon. Those so designated were students who during the year received no grade below C and who in addition accumulated not less than 81 grade points.

Do Your Shopping In Canyon.

Amendments Explained

Proposed Amendment No. 1
Old Age Pensions

The first proposition to be found on the ballot in the August 24th Special Election on Constitutional Amendments is the so-called Old-Age Pension Amendment. This year, for the first time, the amendments will be numbered, according to Secretary of State Gerald C. Mann.

The Old Age Pension Amendment proposes to give the Legislature the authority to pay these pensions to persons over the age of 65, who are not habitual drunkards nor habitual criminals, nor inmates of any State Supported institution. Those who are eligible must have lived in Texas at least 5 years, during the nine immediately preceding application and in the State continuously for one year.

All other restrictions and limitations would have to be set up by the Legislature.

The Amendment authorizes the Legislature to accept money from the Federal government for the same purpose. It is presumed that Federal funds would match State funds. The maximum amount to be paid by the State would be $15 per person per month. It is presumed that the Federal government would match State funds. The total pension per person per month in this case it is presumed would be $30. The amounts might be smaller, however; but not larger.

It is estimated that the cost of

(Continued on last page)

Future of AAA Not Disturbed

Court Rules Law To Be Unconstitutional—But Appealed

AAA will continue to function for the benefit of the farmers in spite of the decision of the Circuit Court of Appeals in Boston, Tuesday. The government will seek to get the case before the Supreme Court of the United States without delay.

The decision Tuesday was to the effect that the processing taxes collected under the Agricultural Adjustment Act were unconstitutional.

The court was divided 2 to 1.

The decision was handed down in the case of the Hoosac Mills, which challenged the constitutionality of the processing tax and which appealed to the circuit court after an unfavorable decision by Federal Judge Brewster.

The court found no authority to impose taxes had been delegated to the secretary of agriculture by the constitution or by a decision of the supreme court.

The decision held that both the processing and flour taxes levied under the AAA were unconstitutional.

Injunctions have been granted in many sections of the nation against the collection of processing taxes.

No statements have been issued from Washington, but it is regarded quite generally that the new decision will not disturb the continuation of farm relief through AAA during this year.

Large Number at Prohibition Meet Held Yesterday

A large number of Panhandle citizens attended the prohibition rally held in Amarillo yesterday. Plans were made to carry on an active campaign from now until election day on August 24.

W. A. Warren, county chairman of Randall County, attended the gathering together with many of his committeemen from this county.

No date has been announced for meetings in Randall county, but the campaign to defeat the constitutional amendment will start within a short time, states Mr. Warren.

MORRISSET LEAVES ON MEXICO CITY TRIP

J. B. Morrisset will leave today for Lubbock to join a delegation from the Lions' Club of that city on the trip to Mexico City for the International Convention. He was secretary of the Lubbock Club for two years before moving to Canyon.

Miss Florence McMurtry left Sunday for Kentucky where she will visit during the remainder of the summer with her family.

W. H. Upchurch and Louis returned Sunday from a two weeks vacation in New Mexico.

CCC Headquarters Are Being Transferred to Lubbock

Headquarters for the two CCC companies at Palo Duro will be transferred from Oklahoma City to Lubbock within a few days. The organization to handle the new district is being completed this week.

Six companies in West Texas are being transferred to the new division, and the five new soil erosion companies will be added to the division.

Officers at Palo Duro were informed some time ago that the change would be made, and believe that it will be much bettter owing to a shorter distance from headquarters.

RETURNS FROM HOSPITAL

Hal Harrison was brought home Friday from an Amarillo hospital where he underwent a serious operation three weeks ago. It will be about a month before he will be able to walk to any extent.

STORK SPECIAL

Born to Mr. and Mrs. Winfield E. Miller, July 16, an 8 pound boy. He has been named John Edward.

Mrs. Annie V. McCarty and Mrs. Bryan Cammack spent the weekend in Childress with Mrs. Kenneth Fink.

College Opened Second Period

115 New Students Are Enrolled During Week

The second quarter of the summer session opened Monday, with 115 new students enrolling for work. The total registration for the first six weeks was 931, bringing the total of the summer up to 1046.

Students may continue to register throughout this week.

Work in the College this summer has been highly praised by students here for the session.

"I have attended three other state institutions of higher learning and I believe W. T. is by far the best institution for the training of teachers of the four I have attended," says A. B. Griffith of Dallas, a student here this summer.

"There is an atmosphere of harmony," he continues, "within the faculty body and between the faculty and student body I have not observed elsewhere. I say this at the same time holding a high regard for the other institutions. My associations have been very pleasant here."

Mr. Griffith pays a high tribute to President Hill when he says, "People locally may not realize Mr. Hill's high status as a leader in the state. None of us realize how big a man he is until we get away." Mr. Griffith first attended this college twenty years ago.

Others who have expressed their reasons for attending W. T. are Miss Mabel Craig of Sherman, Dr. Arlin Turner, Mrs. A. B. Griffith and Mr. and Mrs. Lynn Halbert of Colorado City.

Miss Craig says, 'I have always had a desire to go to a teacher's college, and as I had never seen much of West Texas I had a desire to know the plains country." Miss Craig attended Austin College at Sherman for two years.

Dr. Arlin Turner says, "When I return to W. T. I feel that I am returning home." Dr. Turner is a graduate of W. T. He has kept close contact with the college and its students and teachers through the Prairie and through meeting former students at Austin. Dr.

Nearly One-third of Free Seed Has Been Given Away

About one-third of the 13,700 pounds of free seed for the erosion program has been given away by Millard Word, acting through the office of County Agent W. H. Upchurch.

A considerable amount of the seed went to the west and the southeast sections of the county where most of the rain has fallen.

If rains fall during the coming week, it is anticipated that all of the balance of the seed will be called for by the farmers who will plant it in observance of the regulations made by H. H. Finnell, director of soil erosion work in this section.

Hegari, maize and kaffir seed may be secured at the room back of the First National Bank during the afternoon.

440 Cars Entered Palo Duro Park in Past Seven Days

The Palo Duro Park was visited by more than 2,000 people during the past week, coming in 440 automobiles. The attendance was more scattered from over the state this week than has been the case in the past. 90 towns of Texas were represented in this gathering, while 62 cars came from 19 states outside of Texas.

While Sunday was a good day with 252 cars entering the Park, it was not so large as the attendance of several other Sundays.

Amarillo continued to lead in attendance, but in a lesser percentage than in several weeks past. The following list represented the major attendance: Amarillo 91 cars; Canyon 34; Plainview 21; Lubbock 17; Dallas 12; Pampa 16; Tulia and Borger 10 each; Hereford 11; Fort Worth, Wellington, Happy and Claude, 6 each; Houston, Floydada, Shamrock, Clarendon, Dimmitt, McLean, Hart, Friona, 3 each; Wichita Falls, Childress, 4 each; Dalhart 5. The other cars came from every section of the state.

Cork, Ireland, was the only foreign country represented.

Carl Hair and John Guthrie have returned from their vacation. They visited Mr. Hair's mother while they were gone.

36 Years in Canyon

C. R. BURROW

Mayor C. R. Burrow celebrated his 36th year in Canyon on Monday. He landed here 36 years ago, July 15, 1899. Mr. Burrow has the distinction of being the oldest business man in Canyon working continually in the same line. He has been connected with the lumber business during these years and has been responsible for much of the improvements made in Canyon during this period. For the past four years he has served as Mayor of the city.

Goodnight Marker Will Be Started

Placed at Head of Trail Honoring Pioneer Settler

George Nason, inspector for the Texas State Parks Board, will submit a design for the Goodnight Marker to be placed at the head of the Goodnight Trail, leading from Canyon to the Palo Duro State Park.

The city of Canyon bought the lots east of the Fronabarger home several months ago for this marker.

Designs were made for the marker more than a year ago, but have not been submitted to the National Park Service, awaiting the hard surfacing of the highway.

The topping of the highway was completed Saturday, and the State Highway Department recently designated the Trail as highway 117, thus insuring state maintenance on this road.

Rotary International Convention Talk Is Made By Farwell

Jim Farwell, president of the Amarillo Rotary Club, made a report to the Canyon Rotary Club Tuesday on the 30th Rotary International convention held at Mexico City.

"It was the most colorful convention ever held of Rotary," stated the speaker as he described the gathering of of 6,000 from 40 nations.

The hospitality of the people of Mexico City was the most striking feature. 30 uniformed guides, and the 140 Rotary members of Mexico City were always at the command of the visitors. The convention was held in the Palace of Fine Arts, the finest building in the world. It cost $13,000,000 and took 35 years to construct.

Paul Harris, founder of Rotary, was present and reviewed the 30 years of the organization.

President Bob Hill expressed the four leading principles of Rotary as, forgiveness, fairness, friendliness and forebearance.

Bill Smith, chairman of the Club Service committee, was in charge of the program and introduced the speaker.

Visitors were: Rev. T. H. Dawson of Canadian; Horace M. Russell, R. E. Wertz, W. W. Wertz, Phil Purdum, Dr. Roy Snodgrass, all of Amarillo; J. B. Morrisset, Mrs. Lee Johnson and Miss Frieda Gill, all of Canyon.

HERBERT MAIER OUTLINES WORK FOR THE PARK

National Park Officer Is Highly Pleased With Palo Duro

SETS OBJECTIVES

Makes Personal Inspection of Work Here Monday

Herbert Maier, regional director of the National Park Service, spent Monday at the Palo Duro Canyon State Park. He was accompanied by George Nason, chief inspector for Texas, and Francis H. Gott, assistant to Mr. Nason in this section. Mr. Maier is chiefly responsible for the development of the Palo Duro since work was started two years ago.

In order that the position of the National Park Service might be clear in the development of the Palo Duro, Mr. Maier issued an eight page letter last week, which was placed in the hands of all superintendents, architects, inspectors, members of the Advisory Committee, and the Texas State Parks Board. While not professing to know how long the national government would continue the development of state parks, Mr. Maier has outlined a program of work which will take two years or more to complete. "I have always maintained that the Palo Duro has the finest state park possibilities in Texas," is the conclusion Mr. Maier has reached.

The following objectives are outlined for work:

Twenty cabins on the rim adjoining the lodge.

Completion of bathing facilities at the cabins at Cow Camp.

Building 100 picnic tables at the large section between crossings 7 and 8, opposite the cabins. These tables will be movable, of two inch lumber. Fire places will be included.

(Continued from first page)

Clyde W. Johnston Is Killed Tuesday In Car Accident

Clyde Wilson Johnston, 29, was killed Tuesday afternoon about 5:00 o'clock west of Dawn, when his car overturned in a ditch along the highway, pinning him under the machine. A. G. Thomas was riding with him, but escaped uninjured. Thomas states that young Johnston was apparently killed instantly as the weight of the machine settled on his breast.

Unable to move the machine, Thomas rushed to the nearest home for help, and the ambulance of the Griggs-Thompson Funeral Home was called from Canyon.

Mr. Johnston has lived here most of his life. He is survived by his wife, Mrs. Bonnie Johnston; his father, Levi Johnston; one sister, Mrs. H. O. Price; two brothers, Felix Johnston of Nazareth, and George A. Johnston of Amarillo. Mrs. Johnston was in El Paso visiting her father at the time of the accident, arriving here yesterday afternoon.

The funeral services will be held this afternoon at 2:30 o'clock at the Methodist church, conducted by Rev. J. O. Quattlebaum. Pall bearers will be Lee Foster, Clyde Davis, Felix Pierce, Mark A. Foster, Mark L. Foster and Ted Hutchinson. Interment will follow in Dreamland Cemetery.

WILL LEAVE FRIDAY

Mrs. Agnes Smith will leave Friday for Vernon for a visit with Miss Dorris Leggitt, an ex-student of W. T. who is now County Home Demonstration Agent there. Mrs. Smith will then go to Lawton and Oklahoma City to visit with her daughters and then on to Littlefield before resuming her work at Cousins Hall.

Mrs. L. P. Miller will act as matron of Cousins Hall during the absence of Mrs. Smith.

Mr. and Mrs. W. H. Neal and A. G. Thomas left yesterday for Mississippi where they will visit relatives.

Entered at the postoffice at Canyon, Texas, as second class matter. Published weekly at office, 1513 Fourth Avenue, Canyon, Texas.

PANHANDLE MEMBER 1933 PRESS ASSOCIATION

J. C. Penney is one of the most successful merchants in this nation. Here is what he says:

"In recent years we have issued no more than two handbills each year, and I believe it is now two years since we issued one. I have learned that the housewife thinks little of handbills and would prefer not to have them clutter up her porch because she does not want them and has no possible use for them."

Penney used much advertising in the newspapers in the towns where his stores are located. The success of his stores is due to this newspaper advertising. Maybe he could have circularized these towns a little "cheaper" than he has done in the newspapers, but the Penney organization realizes that merely cheap advertising is not always profitable to the business. Very few businesses if any large firms have been built with any other kind of advertising than newspaper advertising.

The News has an eight page typewritten letter from Herbert Maier, Regional Office of the National Park Service, Oklahoma City, outlining the proposed improvements at the Palo Duro State Park. If there are any persons in Randall county who are not thoroughly sold on the beauties and possibilities of the Park, they are invited to come in and read this letter, which is too long for publication. The government believes that no place in Texas offers the opportunities as does the Palo Duro, and work will continue there as long as the federal government is doing any Park work in Texas.

The building depression has been on for five years. As a result no new mechanics have been trained during this period, and many who were engaged in the building trades have found employment in other lines. Building has started over the nation, and it is a hard matter to find men in many lines, especially brick layers, plasterers and men of kindred lines. The contractor on the men's dormitory has been forced to bring men from Dallas to do part of the work, since they were not available in the Panhandle.

With all of the wide places in this nation, it is hard for us to understand the necessity of Italy and Japan continually threatening war. The overflowing population of these two nations must find a place to land. The rulers are willing to fight to acquire new lands. The pestilences of China and India usually take care of the surplus population. Japan and Italy have better sanitary conditions and plagues do not wipe out great blocks of their people.

Increased bank deposits in this nation very clearly show that the people are not over the depression scare. Low interest bearing government bonds bring a high premium, because the people are not convinced that it is time to invest in private enterprise. This nation needs and must have a restoration of confidence. Ever increasing taxes are not good for business which has been struggling through five years of little or no profit.

Henry Bradford went through the depression, drouth and dust storms of 40 years ago while farming down near Vernon. He says that Panhandle people haven't seen anything yet in comparison to those times. He believes that the 40 year cycle will pass next year. Mr. Bradford has witnessed some wonderful things in the Panhandle during this 40-year period, and he believes strong enough in the future to buy 1½ sections of Randall county land last week.

Republicans and anti-Roosevelt Democrats are busy again whispering the campaign that the President's health is bad, and that he cannot possibly live out the next term. Of course the propaganda is started in an attempt to defeat the President. There is nothing so unfair or unsportmanlike as the lies which are started in a political campaign. No wonder that so few qualified men will offer as candidates for public office.

The only way we can see to stop a large part of the increasing number of automobile accidents is to prohibit the manufacturers from building cars which will travel more than 45 or 50 miles per hour. Most of them advertise 75 mile per hour cars, and too many folks are convinced that they have to drive that fast.

Majority rule is not always a safe index. A majority of the people of the United States take Huey Long as a raving maniac, and cannot understand the majority of the people of Louisiana who continue to uphold Huey as a young God. The majority may be wrong in either instance.

For more than 15 years, the evil of issuing tax-exempt bonds has been discussed in Washington, but nothing done about it. Billions of dollars are invested in such bonds which return no revenues for the support of the government, which adds to the load of the real property owners.

Doctors give advice about the hot weather: Don't eat too much; don't drink ice cold drinks; stay off the booze; don't worry; don't work too hard. The latter appeals to most of us.

The Panhandle has been having some pretty hot days, but still enjoys the reputation of cool, pleasant nights. Panhandle weather is the most delightful of the Southwest, in spite of the lack of rain.

A real weed cutting campaign would greatly improve the looks of Canyon.

UNDISPUTED FACTS

The people of Texas will be called upon to repeal constitutional prohibition on August 24th. Prohibition has been called a failure, and many states have voted in favor of legalized liquor.

Facts have been developed in the face of present day conditions, which each and every voter should carefully consider:

Arrests for drunkenness after repeal increased 113 per cent in twelve principal Southern cities (compiled from court records).

Convictions for drunken drivers have increased 60 per cent (Governor Ely, Massachusetts).

In Boston drunken women increased 75 per cent in three months after repeal (New York Times, March 10, 1934).

Our highways are more dangerous and drinking is more freely indulged in than before prohibition (Boston Herald, which favored repeal).

After repeal deaths from auto wrecks increased 77 per cent (United States Division of Vital Statistics).

If this keeps up we will have prohibition back in two years (Judge Scheffler, with 200 auto accident cases in Chicago Safety Court, July 17, 1934).

Traffic accidents caused by liquor in Detroit increased 164 per cent after repeal (officer police traffic survey).

The year before beer was legalized in Chicago auto deaths decreased 162, but in the year following repeal increased 195 (official records, Chicago).

After trying legalized sale of liquor for four months twenty-one out of twenty-three suburban precincts of Chicago voted dry (official returns).

Also, let us consider further that repeal has as signally failed to reduce unemployment, taxation, public or private drinking, eliminate the bootlegger, save the young people or dispel political hyprocisy.

PRESBYTERIAN CHURCH

Church School at 9:45.

Morning worship at 11 a. m. A nursery for babies will be maintained in the basement during this service. Mrs. Millard Word is supervisor.

There will be no evening service.

This Church was represented by seven Intermediates at the Conference that ends today. Those attending were Shirley Tate, Dorothy Strain, Hazel Sanders, Dorothy Mills, Anna Dell Sligar, Carl Criswell, and Bernard Bessire.

The Senior Young People's Conference will begin this evening and continue for one week. Visitors to Ceta Canyon on Sunday afternoon and evening are welcome, but will have to arrange for their own meals, should they stay for the evening service.

Help Keep Canyon Clean!

Smiles Abound as Doug, Mary Meet

Smiles were the order of the day when this group of film notables were photographed in Hollywood, even though it was the first meeting of Mary Pickford and her divorced husband, Douglas Fairbanks, since he returned from the Orient. They are shown with Charlie Chaplin, center, at their film company stockholders' meeting in Los Angeles.

SIDELIGHTS

by MARVIN JONES

In my judgment, a program of road building is the key to the future of our country. For a number of years I have been urging a complete and adequate road building program.

This should include not only the through roads, but also the state, county and farm-to-market roads. In fact, I regard the latter fully as important as the through roads.

Prosperity must begin at the grass roots. One might as well talk about a pipe line without gathering lines as to talk about main highways without feeder roads. They must all be a part of the same system.

Since the beginning of the new Administration, I have talked repeatedly with everyone, including the President, who has anything at all to do with the shaping of the program. The Chief Executive, in making the allocation, has decided that a definite percentage of the funds allotted for road building under the Public Works program shall be used for the secondary and farm-to-market roads, and is having the program shaped to this end.

The people of our section are glad to know that the Texas Highway Commission has decided that in applying that part of the federal fund that has been set aside for the main arteries, the gaps in the federal highways in the Panhandle are to receive attention.

But just as important, if not more so, is the other wing of the program. Everyone in our section should be interested in this phase of development.

I served four years on the Roads Committee of the House of Representatives, and during that time urged a proper development of the farm-to-market road system. I have been urging it from year to year since that time. Naturally I am glad to know of the prospects of construction along these lines, and I am sure everyone in the Panhandle will rejoice with me.

No finer form of Public Works projects could be fashioned for our section of the country than a complete, well-rounded road building program in the interest of all our people.

When in Amarillo ask Dr. Hyden about your eyes. 38tf

News in Canyon 25 Years Ago

(Taken from the files of the Randall County News of July 15, 1910)

State Representative J. R. Bowman of Amarillo resigned, and a special election was called to fill his place.

J. E. Rogers received his new Elkhart automobiles for his new agency.

The President's home under construction on the campus was blown seven feet off the foundation. The contractor was forced to take down the frame and rebuilt it.

George Reynolds' buggy was blown over while returning from his farm southwest of Canyon.

Forty Canyon people attended the ceremony of laying the corner stone of Wayland College at Plainview.

Prof. John B. Pope Is Appointed On State Committee

Prof. John B. Pope of the department of government has been appointed on the state production committee in the field of commerce, a part of the State curriculum revision movement.

Mr. Pope is teaching government in W. T. this summer. During the public school session he is principal of the Canyon high school. He has his Master of Arts degree from Harvard, majoring in business administration.

Mr. Pope was appointed by W. A. Stigler, the director of curriculum and text-books of the Department of Education in Austin.

The telephone goal of Europe is **JUST A GOOD JOB** *here*

The fast, clear, far-reaching telephone service of America has never been equalled by European nations. Differences in equipment, methods and policies have barred the way to such service among the many countries there.

In America, your telephone service has over-leaped state and regional lines. Here there are no telephone boundaries.

Your telephone is "first cousin" to each of 13 million other Bell telephones here. It is designed and manufactured to meet uniform operating standards.

Team-work

Every Bell telephone line, local and long distance, is built to conform to uniform tests of clarity and volume in carrying your voice.

Every Bell telephone operator, whether in New York, in San Francisco, or in the thousands of towns and cities between, is trained to use the same methods . . . the same team-work in operating the vast national communications network.

Organization

That these things are true is due largely to the Bell System form of organization.

American Telephone and Telegraph Company, the parent company, studies and standardizes better and more economical methods, apparatus and materials for the 24 operating companies of the System. Bell Laboratories carries on the research work. Western Electric manufactures, purchases and distributes.

Without this organization behind them, the Southwestern Bell men and women here who give your telephone service could not do their job so well. For many years it has materially helped us, as one of the group of operating companies, in holding the cost of good telephone service low to the user.

MRS. BLACK AND MRS. CARRUTH ENTERTAIN

One of the loveliest parties of the summer was that given by Mrs. W. C. Black and Mrs. Irby Carruth at the home of Mrs. Black, 1011 Fifth Avenue, Thursday afternoon.

Garden flowers were attractively placed in the entertaining rooms where bridge was played at six tables.

A dessert course consisting of banana split, angel food cake and punch was served at the tea hour to those seated.

Guests present were: Mrs. Joe Gamble, Mrs. John Jackson and Mrs. Pace of Amarillo; and Mrs. George Nance, Mrs. Charles L. Dickey, Mrs. Wallace R. Clark, Mrs. S. L. Ingham, Mrs. C. R. Burrow, Mrs. T. B. McCarter, Mrs. Edd Little, Mrs. Felix Neff, Mrs. D. A. Shirley, Mrs. Chas. Dowle, Mrs. C. A. Murray, Mrs. John B. Pope, Mrs. R. A. Terrill, Mrs. Donald Trolinger, Mrs. W. A. Warren, Mrs. R. N. Barnett, Mrs. Levi Cole, and Mrs. Berl Mayfield.

MRS. D. M. STEWART HOSTESS THURSDAY

Mrs. D. M. Stewart entertained the As You Like It Club Thursday afternoon at her home, 1903 Third Avenue.

Three tables were placed for bridge in the entertaining room decorated with roses and green hydrangaes.

A plate lunch consisting of sandwich loaf, potato chips and green asparagus tips was served at the conclusion of play.

Those present were: Mrs. Travis Shaw, Mrs. L. F. Sheffy, Mrs. W. C. Cotten, Miss Gene Smalley, guests; Mrs. L. Angel, Mrs. John Fry, Mrs. Clyde McElroy, Mrs. N. E. McIntire, Mrs. C. M. Presley, Mrs. Dan K. Usery, and Mrs. J. J. Walker, members.

MRS. GREEN ENTERTAINS CLUB WITH BRIDGE

Mrs. Geraldine Green entertained the Merry Maids and Matrons Thursday evening with six tables of bridge.

Those present were: Mrs. L. Angel, Mrs. S. H. Condron, Mrs. C. M. Dowlen, Mrs. C. R. Flesher, Mrs. John Fry, Mrs. J. A. Hill, Mrs. R. A. Terrill, Mrs. Dan K. Usery, Mrs. C. A. Pierle, Miss Hellen Hickman, Mrs. Elizabeth Fry Page, Mrs. S. L. Ingham, Mrs. R. P. Jarrett, Mrs. T. B. McCarter, Mrs. C. A. Murray, Mrs. John B. Pope, Mrs. Agnes Smith, Mrs. A. W. Sternenberg, Miss Linnie Babston, Miss Tennessee Malone, Miss Florence McMurtry, Mrs. Bob Donald, and the hostess.

23 years in Amarillo, Dr. Hyden. Eyesight specialist. 38tf

MRS. G. H. HARDMAN HAS H. D. CLUB JULY 28

Miss Allie Dozier met with the Edgetown Home Demonstration Club on Friday, June 28, to outline plans for the remainder of the summer's work. The club met at the home of Mrs. G. H. Hardman, pantry demonstrator, and an inspection of her garden was part of the afternoon's program.

Refreshments of cookies and iced tea were served to Mrs. W. T. Davis, Mrs. Dave Phillips, Mrs. M. M. Morris, Mrs. J. W. Spencer, Mrs. O. M. Solomon, Misses Mable Solomon, Allie Dozier and guests: Mrs. J. J. Wright, Mrs. Lavert Avent, and Mrs. Buchanan.

MR. AND MRS. McCREREY HAVE LAWN PARTY

Mothers-in-law together with their husbands were delightfully entertained Thursday evening at the home of Mr. and Mrs. J. W. McCrerey with a picnic supper on the lawn at their home south of Canyon.

The Mother-in-law Club will not meet again during the summer, but will resume its regular meetings in the fall beginning with the first Thursday in October.

Special guests of the group Thursday were Mr. and Mrs. Gray of Dimmitt.

BAPTIST W. M. S. MEETING TUESDAY

Twelve members of the Rose Appleby Circle motored to Tulia for an all day social and business meeting in the home of Mrs. Autry Hodges, Tuesday. The depression may be on the Circle members, but you couldn't tell it by the food that was on the table. It is needless to say the day was enjoyed to the fullest by everyone.

The Lockett Circle met with Mrs. Cox with an attendance of 12. The lesson was taught by Bro. Hicks.

The Rose Walker Circle met in the home of Mrs. Heath. The Bible lesson was taught by Mrs. Hardin.

GARRISON H. D. CLUB SERVE 3-COURSE DINNER

The Garrison Home Demonstration Club met at the home of Mrs. G. H. Fowler on July 11 for a study and demonstration on table service by Miss Allie Dozier. A three course dinner was served to Mrs. Elmer Bauer, Mrs. F. M. Brazill, Mrs. L. F. Spiser, Mrs. Ed Jones, Miss Evelyn Bauer, and the hostess.

At the business meeting Mrs. Fowler was elected as delegate to the short course to be held at College Station the last week in July.

MISS MATTIE SWAYNE ENTERTAINS

Miss Mattie Swayne entertained with a picnic supper Monday evening, July 8, at her home, 2610 Fifth Avenue.

Miss Bertha Stephens and Miss Jean Moore assisted Miss Swayne in serving the following: Dr. Arlin Turner, Dr. Ford Fronabarger, Jr., Mrs. B. F. Fronabarger, Misses Elva and Marie Fronabarger, Miss Loula Grace Erdman, and F. E. Savage.

NEEDLE CLUB ENTERTAINED THURSDAY

Mrs. Herman Hand entertained the Tierra Blanca Needle Club at her home Thursday afternoon. New officers were elected for the coming six months term. The next meeting will be with Mrs. Alva Roper on Thursday, Aug. 8. Members present were Mesdames M. E. Rhoades, R. H. Campbell, F. E. Stockhaus, and the hostess, Mrs. Herman Hand.

PICNIC SUPPER AT MATEER HOUSE

A picnic supper honoring Mrs. W. D. Mateer on her birthday anniversary was given by her husband at their home 2010 Fourth Avenue Monday evening.

Guests were Mr. and Mrs. Harry Wood and Mr. and Mrs. C. S. Johnston.

Forgotten Woman Newest Star

Last fall, movie executives imported Luise Rainer, above, talented Vienna actress, at great trouble and expense. Then they proceeded to forget about her. Recently, when Myrna Loy walked out of a picture, Luise was substituted and made a smashing hit. And were her bosses' faces red!

MR. AND MRS. MORGAN BAKER HONORED

Mrs. Elizabeth Fry Page was hostess of an informal reception on Friday evening, July 12th, at 8:30, at the Little House of Fellowship, honoring Mr. and Mrs. Morgan Baker, who were recently married at Memphis.

Mrs. Baker was formerly Miss Zettie Dennis. Mr. Baker was a student of W. T. two years ago, and was president of the Student Religious Council while here. He is now a Baptist evangelist and was formerly in the U. S. navy.

Invited to meet Mr. and Mrs. Baker were: Rev. and Mrs. W. H. Bessire, Misses Mary Moss Richardson, Mildred and Lorene Bessire, Minnie Allen, Wertha Tarter, Ozie Loftis, Alma Osborne, Ruth Enoch, Flora Mae Gordon, Pearl Black and the Rev. Stuart Marsh.

Miss Enoch gave several piano numbers, and Miss Richardson entertained the group with an interesting account of her recent trip through Yellowstone Park.

The house was decorated with green vines, and refreshments of lime punch, cakes and mints were served by the hostess, assisted by Misses Gordon and Enoch.

While in Canyon, Mr. and Mrs. Baker were guests of Miss Pearl Black. They left on an extended motor trip Saturday morning.

GUESTS FOR DINNER AT COUSINS HALL SUNDAY

Several residents of Cousins Hall had guests for dinner Sunday. Dr. and Mrs. J. A. Hill, Miss Marion Hill and Miss Martha Nell Lang were guests of the Hall.

Miss Vinnie Heyser had as her guests Misses Grace and Ada Clark and their mother, Mrs. H. E. Clark; while Mrs. Geraldine Green and Miss Nell Green were guests of Misses Tennessee and Fannie Malone.

ARTHUR ROBINSON ILL

Kathryn Robinson, Norma Kidd, Nelson Robinson, and J. C. Schramm motored to Pampa Sunday to see Arthur Robinson, who is recovering from appendectomy performed Friday. Arthur Robinson attended W. T. in the spring semester of 1935.

VISITING TEACHERS ARE ENTERTAINED

The annual faculty picnic supper was held Tuesday night at 7:30 o'clock on the east lawn of the J. A. Hill home. The picnic, given by the regular members of the faculty, was in honor of the visiting summer teachers.

A supper of fried chicken, potato chips, sliced tomatoes, salad, bread, and butter sandwiches, cake, and lemonade was served.

Johnson Items

The Garrison H. D. Club will sell ice cream in Happy Saturday. Your patronage will be greatly appreciated, as this is to send a delegate to A. & M. Short Course.

At this time the Johnson 4-H Club will give away the tufted bed spread.

Members of the community surprised Elsie Bauer Tuesday evening with an ice cream party to celebrate her seventeenth birthday.

Dinner guests in the Paul Goettsch home Sunday were Mrs. W. H. Goettsch, Ernest Goettsch and children and T. J. Jacobs of Dawn.

Miss Wilma Schuette of Canyon spent last week with Leona Bauer.

We are very glad to say that Evelyn Bauer took second place in the district bedroom contest.

Mr. and Mrs. J. J. Bauer, Mrs. Ralph Bratcher and Ardelle Spiser motored to Canyon Sunday afternoon to view articles of interest in the museum, and the new buildings that are being constructed on the college campus.

Those in Happy Saturday to ottend the rodeo were: I. L. Bauer and family, E. J. Bauer and children, Ralph Bratcher and Ardelle and Lula Spiser.

Mrs. E. J. Bauer and daughters, Carrie, Margie and Thelma were callers in the A. J. Greenfield home Thursday.

J. J. Bauer and Mesdames Ed Harvey and Ralph Bratcher attended to business in Amarillo Friday.

Mrs. I. L Bauer and children, Mrs. J. C. Dollard, Josephine and Calvin, and Ardelle Spiser were Tuesday dinner guests in the Millard Dustman home near Tulia. Mrs. Dollard and children remained with Mrs. Dustman.

Mrs. J. J. Bauer, Mrs. L. F. Spiser and Lula and Luella Spiser were business callers in Amarillo Tuesday.

Miss Ardelle Spiser spent Thursday and Friday assisting Mrs. I. L. Bauer while Mr. Bauer is away harvesting.

Mr. and Mrs. E. J. Bauer and family were dinner guests in the John Ebeling home Sunday.

Business callers in Canyon Saturday were J. J. Bauer, Mesdames Ed Harvey, Ralph Bratcher and Clarence Bauer, and Luella Spiser, Elsie and Leona Bauer, and Wilma Schuette.

Mr. and Mrs. C. W. Bauer and family were callers in Amarillo Thursday.

Miss Dorothy Bauer is spending the harvest season with her grandparents, Mr. and Mrs. Paul Goettsch.

Mrs. E. J. Bauer and children spent Monday with Mrs. I. L. Bauer.

Miss Ardelle Spiser spent Monday and Tuesday in the Lonnie Byars home.

Miss Dorothy Bauer spent Monday afternoon with Lula and Luella Spiser.

Mrs. L. F. Spiser and Mrs. E. J. Bauer accompanied by Mrs. G. H. Fowler, visited members of the Garrison community Monday.

R. H. Bratcher and J. J. Bauer spent Monday in Amarillo.

Edwards Finds Fossils at Rock Quarry Here

Jack Edwards, superintendent at the rock quarry southwest of Canyon, notified the college Tuesday of the excavation of fossil remains at the quarry. Workers discovered the bones while digging a test hole.

Prof. C. S. Johnston reports that the find was the tusk and complete leg bone of an elephant.

Had the tusk not been damaged, it would have made a valuable specimen. The leg bone, however, will be exhibited in the museum next year, said Mr. Johnston.

Fortunes will continue to be made in this republic and the man or woman who is saving money is apt to be on top of the financial heap.

Railway baggagemen are said to be strong for the modern woman, but why not?—They don't have luggage any more.

If someone would invent a way to keep a fool and his money from parting, the swindlers would probably get control of it.

As a general rule the man who insists on whispering to you hasn't very much that's worth listening to.

Our own idea is that it's about time for the people of Canyon to get together, work together and stay together.

Our heads are like gasoline tanks in one respect. They won't take you any place if they are empty.

This Week's Patterns

FOR the mature figure, this trim, tailored frock, Pattern 389, provides a modish elegance. It is attractive when made in figured silk or lightweight woolen.

Patterns are sized 36 to 52. Size 44 requires 4⅞ yards of 39-inch fabric.

Slenderizing panels in front and back, decorative buttons, and roomy pockets are attractive features of this delightful frock, Pattern 546, with its flattering collar and turn-up cuffs. It can be made in gingham, percale, or seersucker.

Patterns are sized 14 to 20 and 32 to 48. Size 18 requires 4⅞ yards of 35-inch fabric and ⅝-yard contrasting.

To secure a PATTERN and STEP-BY-STEP SEWING INSTRUCTIONS, fill out the coupon below, being sure to MENTION THE NAME OF THIS NEWSPAPER.

The dime store heiress who married a count says: "I am so happy. My husband is a sportsman, but he cares more for me than he does for polo." Wait until he takes up golf.

A lot of people still remember J. P. Morgan, but—quickly now—how many can recall the name of that midget who sat on his lap?

A Swedish astronomer says there is a limit to space, but you'd never guess it after watching some 12-year-olds eat.

Never hunt trouble. It requires too great an effort to escape when you find it.

A man usually excuses himself with the thought that "it was just a bad investment," but thinks his wife's loss is due to "a woman's poor judgment."

In these days when one can buy an automobile for eight cents a day and get a liberal education by reading fifteen minutes a day, it is difficult to see what anyone has to complain about.

While we're getting ready for the rush of summer reunions, why not start one of the Mdivani brothers and all of their former wives?

Typewriter supplies of all kinds at Warwick's.

Wayside Items

Showers have cooled the atmosphere very appreciably. A good rain fell Monday afternoon. Very gentle and slow. Be great help to row crops and gardens which were showing the need of moisture.

Rev. and Mrs. J. A. Lindley of Bovina were with us Sunday. He filled his appointments at noon and night. Fair congregations attending.

B. Y. P. U. met before night service, led by Mrs. Eutha May Hamblen.

W. C. Hamblen and wife, and Mrs. Ida Sluder attended the funeral services of Miss Ada Lee May at Vigo Park last Tuesday. An immense crowd there. The bereaved family have the sympathy of friends every where. Mother Little still lingering in same home last report.

Miss Lorene McGehee and Mrs. Bessie Lane attended the Federated Club at Claude the 13th. They agreed to meet at Ceta Canyon August 21 and 22.

Third quarterly conference of Vigo Park Circuit will be held at Valleyview next Sunday, July 21.

Few are through harvesting here. Some have not begun. Light yield for the most part.

Mrs. Elba Chedester returned from Kansas Saturday. Robert Crow, her brother, who was in a car wreck Sunday, is improving. Was thought to be able to leave hospital soon.

Plans are made to hold services in the new church next Sunday, July 21. Everybody is invited to be with us. All bring dinner and spread in the basement. Tables will be provided. Sunday school classes will put on a program. No preaching services that we know of at present. We want to finish the song, "Standing on the Promises of God," we were singing when the old church was discovered to be burning, as the first number.

M. E. Counterman and M. L. Sluder and families visited in the W. J. Sluder home last Sunday.

All people are good for something, but too often the something's worse than nothing.

BLUEBONNET CLUB WITH MRS. F. H. PENNINGTON

The Patriotic color scheme and motif was carried out in the decorations and plate favors when Mrs. F. H. Pennington entertained the Blue Bonnet Needle Club on Wednesday, July 3.

A dessert course was served to Mrs. John Dickinson, Mrs. Charlie Steen, Mrs. J. D. Barker, Mrs. Geo. Small, Mrs. W. H. Upchurch, Mrs. Winfield Miller, Mrs. J. L. Heffner, Mrs. Virgil Briscoe, Mrs. Jay Prichard, and Mrs. Levi Cole.

MISSIONARY SOCIETY HAS SOCIAL TUESDAY

The Woman's Missionary Society of the Methodist Church met Tuesday afternoon at the home of Mrs. Ben Loudder with Mrs. I. C. Jenkins as assistant hostess for a short World Outlook program and social hour.

Mrs. Clyde McElroy assisted by Mrs. C. M. Dowlen had charge of the program with Mrs. McCaslin giving the devotional.

Iced punch and wafers were served by the hostesses to Mrs. H. E. Clark, Mrs. Bob Foster, Mrs. F. M. Faulkner, Mrs. C. Shuman, Mrs. Ida Barlow, Mrs. L. J. McGehee, Mrs. Dowlen, Mrs. J. O. Quattlebaum, Mrs. M. C. DeGraffenried, Mrs. McElroy, Mrs. McCaslin, Mrs. Joe Thompson, and Misses Moss Richardson and Belle Schramm.

MRS. LOUIS J. BRYAN HONORED TUESDAY

Mrs. Jim Rose entertained with three tables of bridge at her home east of Canyon Tuesday morning in honor of Mrs. Louis J. Bryan.

Mrs. Lee Foster was the winner of high score with Mrs. Irby Carruth receiving consolation. Mrs. Bryan was given guest prize.

At the conclusion of bridge a salad course with iced fruit punch was served to Mrs. Bryan, Mrs. George Nance, Mrs. Clyde W. Warwick, Mrs. C. R. Burrow, Mrs. R. E. Ball, Mrs. R. N. Barnett, Mrs. N. E. McIntire, Mrs. W. C. Black, Mrs. Carruth, Mrs. Foster, Mrs. Grady Oldham, Mrs. Millard Word and Mrs. J. J. Walker.

Dr. and Mrs. R. A. Neblett left Monday for a vacation trip to New Mexico. Dr. F. J. L. Blasingame of Galveston is looking after Dr. Neblett's practice while they are away.

Mr. and Mrs. J. C. McDaniels, R. T., and Mr. and Mrs. LeRoy McDaniels will leave Tuesday for Waco for a short visit with Mrs. McDaniels' mother.

Mr. and Mrs. Lige Frieze accompanied by Mr. and Mrs. T. T. Tanner and Mrs. M. S. Frieze left Sunday for a vacation in the Cimarron Canyons of New Mexico.

J. B. Morrisset, Bob Boling, and Mrs. A. H. Bryant attended a sales meeting of the Texas Utilities Company in Hereford Monday night.

Mrs. Dahlia Hemphill of Littlefield and Mrs. Dick Whittenburg of Gage, N. M., spent last week with Mr. and Mrs. Floyd Hemphill.

Miss Virginia Murray is visiting in Rule with her cousin, Miss Alma Joan Cole.

R. E. Harter left Sunday for Wichita, Kansas, for treatment in the veterans hospital.

A Combination Suit For the Beach

For relaxation and play at the beach, nothing is more appropriate than this play suit of yellow, brown, and green plaid, worn by Dorothy Page, film player. With a simple twist of the wrist, the wrap-around skirt can be transformed into a cape, revealing the attractive shorts.

MRS. O. M. SOLOMON HAS EDGETOWN CLUB

The Edgetown Home Demonstration Club met at the home of Mrs. O. M. Solomon last Friday for a demonstration by Miss Allie Dozier on "Table Service."

The menu had been planned at a previous meeting and each club member brought something for the dinner that was served. Miss Dozier gave a discussion on table service from the time of the cave man to the present day.

Those present were Mrs. Solomon, Mrs. G. H. Hardman, Mrs. W. T. Davis, Mrs. I. W. Spencer, Mrs. Finis Brazil, Mrs. Dave Phillips, Miss Mable Solomon, and Mrs. Leland Graves, guest of the club.

Miss Lillian J. Atkins arrived Friday from New York City to spend a month at the home of her mother, Mrs. R. W. Ratcliff.

Mrs. J. P. Ridens, who has been a guest in the R. O. Johns home during the past two weeks, left Sunday for her home in Ft. Worth.

Help Keep Canyon Clean!

MRS. J. J. WALKER HAS CLUB YESTERDAY

The home of Mrs. J. J. Walker was beautiful with its decorations of phlox and other summer flowers when members and guests of the 1925 Bridge Club met at her home yesterday.

Bridge was played for entertainment throughout the afternoon at four tables.

The refreshment plate carried out the pink and white color scheme with brick ice cream, angel food cake with pink icing, and punch.

Those present at the lovely affair were Mrs. Joe Black, Mrs. J. L. Duflot, Mrs. J. Madison Daugherty, Mrs. G. A. Farlow, Mrs. R. N. Barnett, Mrs. W. C. Black, Mrs. Jim Rose, Mrs. Clarence Thompson, Mrs. Glen Dowlen, Mrs. Irby Carruth, Mrs. Burt Newlin, Mrs. Dan Sanders, Mrs. Lee Foster, Mrs. Donald Trolinger, Mrs. Earl Robbins, and Mrs. Louis J. Bryan.

MR. AND MRS. DAUGHERTY ENTERTAIN NIGHT CLUB

The Tuesday Night Club met with Mr. and Mrs. J. Madison Daugherty for its regular meeting this week.

Garden flowers arranged in vases were appropriately placed at intervals throughout the spacious reception room.

Refreshments of punch, strawberry sundae with stritz cookies were served at a late hour to Mr. and Mrs. A. K. Goodman, Mr. and Mrs. Andy Walsh, Mr. and Mrs. Warren Johnson, Mr. and Mrs. R. O. Johns, Mr. and Mrs. H. W. Hartman, and Mr. and Mrs. Harry Wood.

Transfer Applications Must Be In By August First

"All school transfers must be made by August 1," states County Judge Burney Slack. All people desiring to send their children to a different school from that in which they were enumerated in the school census must make application of transfer for these children before August 1.

These application blanks may be secured in the office of county judge and ex-officio school superintendent.

Mrs. Bill McClendon of Clovis and Miss Lucy Jo Loudder of Fort Worth are visitors in the parental S. B. Loudder home.

Fiancee to Attend Shewmaker Rites at Pampa Today

When tribute to the memory of Charles M. Shewmaker is paid this afternoon at Pampa, his fiancee, Mrs. Ira Cochran Young, Borger teacher, will be present, having come from Greeley, Colo., where she was attending summer school, to attend the services.

Mr. Shewmaker, head of a carbon black plant at Borger, lost his life late Saturday night in a car crash as he was returning home after having dinner and spending the evening with the parents of his fiancee, Mr. and Mrs. T. J. Cochran of Canyon.

J. B. Shewmaker of Pampa telegraphed Mrs. Young, who arrived here Monday evening in response to the message.

The funeral services will be held at 3:30 o'clock at the Pampa mortuary, having been deferred to await the arrival of a sister, Miss Clara Lee Shewmaker of Pampa and Borger, who was on a trip in Seattle, Wash.

Highland News

Mr. and Mrs. Carl Fuqua and boys, Mr. and Mrs. C. B. Fuqua, Mr. and Mrs. Clarence Dishon and daughter Peggy Jean, Mr. and Mrs. E. C. Paxton and children, and Mr. and Mrs. Caleb Fuqua and son Jackie, picnicked on the creek last Wednesday evening.

Mrs. Tom Boling and Mrs. Carl Fuqua called at the Sharp home last Friday afternoon.

Loren Tidwell left Wednesday morning to return to his home at Long Beach, Calif.

Mr. and Mrs. Arthur Brooks and Mr. and Mrs. Ed Rae Called at the Carl Fuqua home Thursday night to visit his parents.

Mr. and Mrs. Clarence Dishon spent Thursday night at the Carl Fuqua home.

Mrs. Joe Bedenk was in Amarillo last Wednesday.

Mrs. Roderick Sharp left Sunday night for Freedom, Okla. She received word that her father was very ill.

A good shower of rain was received Sunday afternoon.

Dude Atkins and Howard Fuqua spent Sunday at Alfred Green's

Harry Fuqua spent Sunday visiting Nancy Ann Gouldy.

Robert Bedenk is spending the week with his uncle, Gritt Critzinger.

Thelma Ruth Bishop spent Monday with Whannie Thomas. L. V. Thomas is still in the hospital.

Mrs. Gritt Critzinger and children spent several days this week with Mrs. Joe Bedenk.

Hud Prichard and family are spending their vacation at Creede, Colo.

Help Keep Canyon Clean!

Former Student Takes M. A. at Washington, D. C.

Miss Ora Ethyl Cage, who formerly lived in Canyon, is among those who received their Master of Arts degree from the American University in Washington, D. C. this year. In a letter to Dr. J. A. Hill, Miss Cage said:

"You see that I have not outgrown my school days. I still enjoy the work and activities of school life.

"My inspiration to continue in the pursuit of knowledge dates back to the first year's school of West Texas Normal College in 1910. I shall never forget how you and Mrs. Hill seemed to take us juniors into your hearts.

"I wish to extend my best wishes to the school."

Umbarger Items

A party was given at the home of Mr. and Mrs. Paul Artho Sunday for a few relatives and friends.

A Knights of Columbus meeting was held in the Umbarger Parish Hall Tuesday.

Mr. and Mrs. Ben Koch and family were visitors at the home of Mr. and Mrs. John Batenhorst, Sunday.

Mr. and Mrs. Ed Brockman and family, Mr. and Mrs Albert Venhaus, Mr. and Mrs. M. Hollenstein, and family, Joe Venhaus, Max Albright and Veronica Albright were dinner guests at the home of Mr. and Mrs. George Venhaus, Sunday.

Miss Hilda Friemel spent Sunday with Miss Gertrude Friemel.

Mrs. Keller and family spent Sunday with Mr. and Mrs. Fritz Friemel and family.

Ernest Frank spent Monday with Alois Friemel.

Miss Mary Lee Nelson is spending a week with her friends in Tulia.

Miss Louise Shirley of Canyon has just completed a Camp Counselor's Course at the Cactus Region Girl Scout camp in the Sacramento mountains near Roswell, N. M. She is to remain at the camp for the next two weeks as assistant "Wrangler." The "Wrangler" of the camp has charge of horses and all riding.

Mr. and Mrs. Dick Bellah and children are vacationing in New Mexico. They will be gone about ten days.

Misses Louise and Bettye Ruth Solomon have left for Mulberry, Tenn., for an extended visit with relatives.

Paul White left last Thursday for Sanatorium, Texas, where he will receive a six months course of treatments.

It's too late to reform after the undertaker is called.

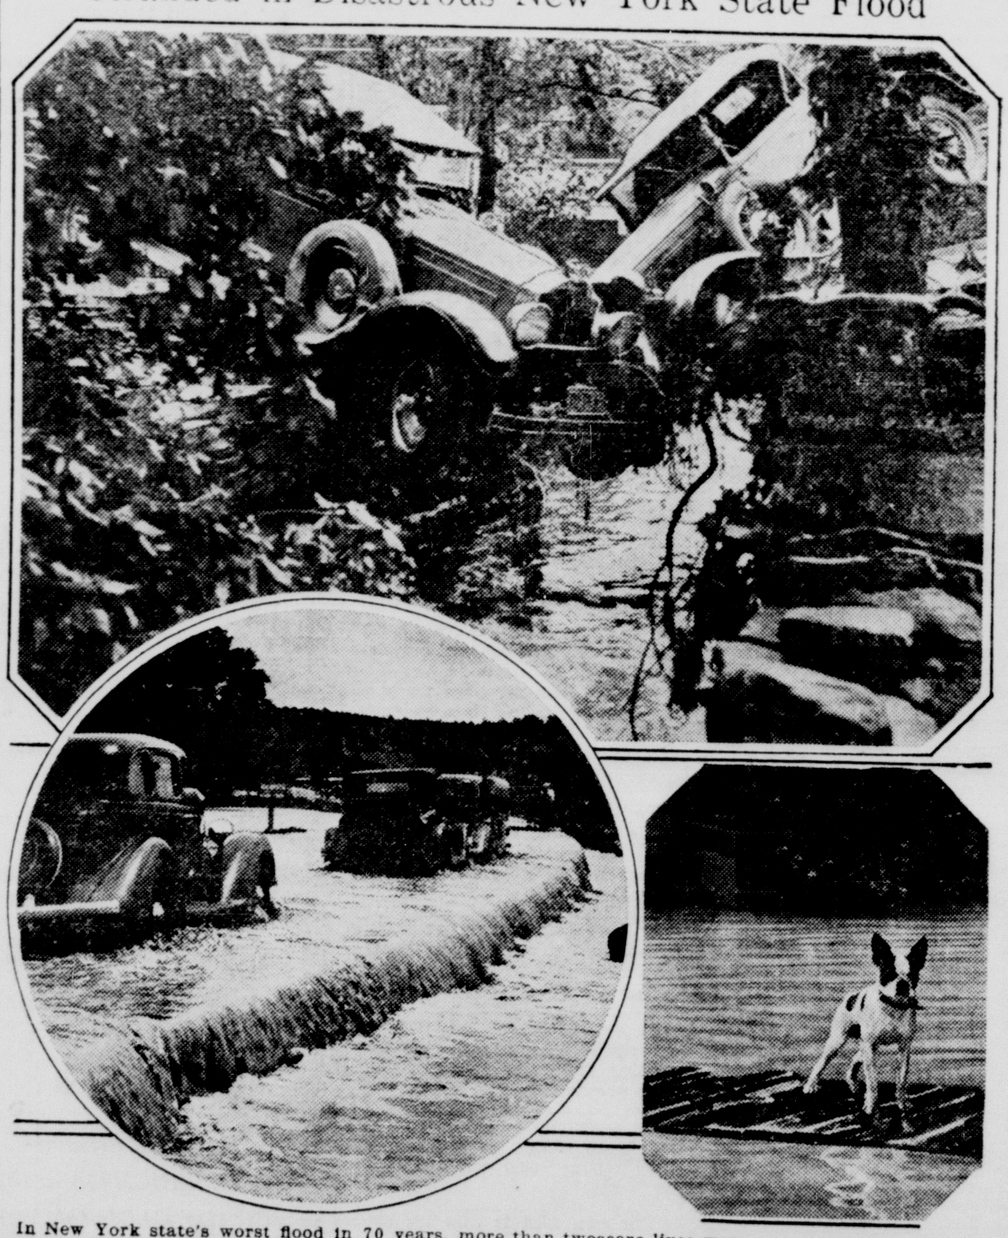
AND I USED TO THINK THAT THIS WAS VERY FUNNY THIRTY FIVE YEARS AGO.
THAT'S WHAT WE CALL "CHAWIN' BEEF, MISTER!

Judge L. Gough's Book Available in Canyon at News

Copies of Judge L. Gough's new book, "Spur Jingles and Saddle Songs," will be placed on sale today at the News office. These books contain a selection of cowboy songs and jingles which Judge Gough collected while a cowboy on the old T-Anchor Ranch, headquarters for which is the old log house on the College Farm north of Canyon.

The fact that Randall county was the center of the old ranch, and Judge Gough is so well known to Randall county citizens, makes the book of double interest to the citizens.

Stranded in Disastrous New York State Flood



In New York state's worst flood in 70 years, more than twoscore lives were lost, livestock perished, bridges were swept away, towns were isolated and property damage exceeded $20,000,000. Swirling flood waters stranded scores, their autos and even their pets, as evidenced in the above scenes. In the top photo, two autos which had been crossing a Kingston, N. Y., bridge just as it crumpled before swollen stream waters, were hurled together and hung in midair. In the picture at left, below, several autos are shown trapped on an inundated Hornell, N. Y., highway. Stranded on a raft in the same locality, the Boston bull shown at right evidently wonders what it's all about.

Bennett Represents Randall at Production Loan Meeting

Most of the production credit associations in Texas have more loans on their books at the half way mark in 1935 than were made during the entire year of 1934, and a number of the associations have more than doubled their volume of business this year. This record of achievement was brought out in the address of Virgil P. Lee, vice-president of the Production Credit Corporation of Houston, who was principal speaker at a meeting of representatives of production credit associations held in Amarillo, July 12th.

W. E. Bennett, director from Randall county, reports that representatives from five associations in this part of the state were in attendance. The meeting, which was one of a series of similar meetings that are being held at various points in Texas during the month of July, was for the purpose of bringing to the secretary-treasurers and the directors of the associations a better acquaintance with the purposes and efficient operation of the production credit system.

Production credit, which has been in operation in Texas almost two years, provides a permanent source of short-term credit on a co-operative basis to farmers and ranchmen. It is adapted to their needs; and more and more farmers and stockmen are becoming acquainted with its many attractive features, including a very low interest rate, which is five percent at the present time.

Light Rain Here Monday .10 Inch Cools Temperature

While last week was uniformly hot with the temperature mounting to 100 above zero, showers in various sections of the Panhandle greatly cooled the atmosphere Sunday and Monday.

The only rain received here came in a shower Monday afternoon amounting to .10 of an inch.

CHRISTAIN CHURCH

Bible School, 9:45 a. m.

Church Service, 11:00 a. m.

Sermon topic: "A study in Soils."

Sunday afternoon, we are having a church picnic. We will meet at the church about four o'clock and go from there to the picnic spot which is yet to be decided upon. Bring a basket lunch, your car if you have one, and come prepared to enjoy yourself. The details of the picnic will be announced Sunday morning at Bible School and Church. There will be no evening church service.

Mrs. Earl Robbins left yesterday for Gainesville where she will visit with friends. She will visit other points of interest before returning home.

Palo Duro Peeps

Supper guests in the G. H. Leseberg home Sunday night were Rev. and Mrs. H. K. Freking and family, Mr. and Mrs. G. H. Leseberg, Jr., Mrs. Ada Merton and Mr. and Mrs. Henry Miller and family.

Miss Hilda Miller is attending W. T. S. T. C. this summer.

Mrs. Ada Merten of El Paso is visiting in the home of Henry Miller.

The members of the Palo Duro Club were entertained by Mrs. Joe Finck of Tulia last Wednesday.

Mrs. E. A. Albers and Phyllis were callers in the J. E. Albers home Friday afternoon.

Leonard Boehning entertained a number of his friends with a party Saturday night. Refreshments were served to Ralph Bragg, Phyllis and John Albers, Lucille and J. T. Gillham, Clara, Martha and Gertrude Miller, Charles Marshall, Edith and Eva Campbell, Kelly Rose and the host.

Mrs. Ada Merten and Mrs. Henry Miller and daughters were visitors in the home of Mrs. Pauline Wendelken Tuesday afternoon.

Governor Allred Refuses to Talk in Dry Campaign

Governor Allred has refused to take the stump in the interest of the dry cause in the special election on August 24th. Governor Allred issued the following statement:

"My position remains just the same as it was during the campaign. I favored submission. The question has been submitted. I stated that personally I would vote against repeal, but that I accorded every other citizen of Texas the same right to his own convictions on the subject.

"I was elected governor not only by the vote of my dry friends but with the enthusiastic support of many liberals, who, while they disagreed with me as to the best method of handling the liquor question, respected my views. Personally and officially, I am against liquor, but feel that my friends on both sides of the question are entitled to the same respect for their views which they extended me."

Former Citizen Is Found Ill After a Drive, Unconscious

Roy Moreland of Amarillo, formerly of Canyon, was found unconscious by the highway near Borger Friday, after having driven his car for more than 20 miles in an unconscious state. He had left Amarillo and became ill as he drove toward Borger. He had just recovered from a serious case of the mumps.

Mr. Moreland is the son of Mrs. W. T. Moreland, formerly of Canyon, and spent his boyhood in this city.

Library Building Is Approved Fort Worth PWA Office

Application for a $200,000 library building for W. T. has been approved by the Fort Worth office of the Public Works Administration and is now on file in Washington, D. C., awaiting approval there, announced Pres. J. A. Hill today.

The application, entered in Washington by Julian Montgomery, federal engineer for the State of Texas, is early on the docket of applications for federal grants.

Other building projects at the College are moving forward rapidly, said Pres. Hill.

Final plans and specifications for the $62,000 addition to Cousins Hall and the ten apartment cottages to be located on the campus were filed yesterday with the Fort Worth P. W. A. office.

The cottages, to be erected at a cost of $29,000, will be built 300 yards northeast of the Administration building and will be planned to accomodate married couples who are resident students of the College.

The admisitration hopes, said Dr. Hill, to advertise for bids on the Cousins Hall-cottage project this week, and with the approval of the Fort Worth office, will open the bids July 31. Actual construction is expected to begin Sept. 1.

Cleburne Man Has Large Collection of Books, Relics

W. J. Layland of Cleburne was an interested visitor at the Museum and the Palo Duro State Park Thursday. He is one of the most extensive individual collectors of Texas books and relics in the state.

He has assembled more than 25,000 Indian heads, said to be the largest and most complete collection in the Southwest. In addition he has 1,000 books on Texas. Some of these books he secured from foreign countries.

Mr. Layland was greatly interested in the Museum and the work that it was doing in Northwest Texas.

Cotton Farmers of County Will Sign Exemption Papers

Application for cotton exemption certificates are now ready at the office of County Agent W. H. Upchurch, and cotton farmers of the county are requested to sign them during the coming week.

There are about 35 farmers in Randall county who have been raising cotton.

J. C. Baker, Jr., spent the weekend in Wichita Falls with friends.

As Old Vesuvius 'Blew Off Steam'

Since a recent tremendous explosion blew parts of its crater cone high in the air, Italy's Mount Vesuvius has been shaken by a series of eruptions, belching steam and discharging sparks that have lighted up the countryside for miles. The ancient volcano is pictured above during recent activity.

Compliance Papers of 1936 Wheat to Be Sent to Capitol

Randall county's compliance papers for the wheat farmers were delivered to the state auditors in Amarillo Tuesday with the promise that they would be forwarded to Washington before the end of this week.

Randall county is among the first counties of the state to complete the compliance work.

Mr. and Mrs. Ed R. Wallace of Shamrock visited in the J. A. Guthrie home Monday and Tuesday.

Miss Melba Del Warner of Amarillo spent the week-end with Mr. and Mrs. Ira Scott.

Guests of Mrs. C. A. Higdon Sunday were Mrs. Daisey Dolley and Mrs. Mack Freyder and children of Gillette, Wyoming.

Road Runners Are Still In the Lead

Softball League Is Cut To Four Teams By Default

The mighty Road Runners continue to blast the hopes of all members of the twilight league in winning a game of softball. This crew maintains a clean slate with eleven games to its credit. Victims of the Road Runners this week were the Whites, Business Men, and Phillips 66.

Owing to so many changes in the line up, four teams were dropped from the schedule for the coming week, or until such a time as the members can get together a working crew. The teams dropped were the Maroons, Whites, Junior and Ex-Eagles. Many of the players in these four teams are being absorbed in the four remaining teams.

For the present, games will be played only on Monday and Thursday nights. This decision was reached after a conference with the four remaining captains Tuesday night.

Results of the games this week were:

Thursday: Outlaws 17 vs. Business men 7; Road Runners 1 vs. Whites 0.

Monday: Road Runners 5 vs. Business Men 0; Outlaws 1 vs. Juniors 0; Phillips 1 vs. Whites 0.

Tuesday: Road Runners 12 vs. Phillips 6; Outlaws 1 vs. Maroons 0.

The following will be the schedule for the coming week:

Tonight: 1, Business Men vs. Phillips; 2 Road Runners vs. Outlaws.

Monday: 1, Outlaws vs. Phillips; 2, Business Men vs. Road Runners.

Thursday, July 25, Outlaws vs. Business men; Road Runners vs. Phillips.

LEAGUE STANDING

	P	W	L
Road Runners	11	11	0
Outlaws	11	8	3
Maroons	8	4	4
Business Men	10	5	5
Phillips 66	11	5	6
Whites	9	3	6
Juniors	11	3	8
Ex-Eagles	8	2	6

Eclipse of Moon Witnessed Monday By Canyon Folks

Practically the entire population of Canyon was out Monday night to see the eclipse of the moon, which started at 9:15 o'clock and continued until midnight.

The eclipse was caused by the orbits of the earth, moon and sun being arranged at that particular time so that the earth came directly between the sun and the moon.

Mrs. C. R. Flesher visited in the home of Mrs. Frances Campbell at Wildorado Sunday. Misses Billie Bee and Natilee Flesher who have been visiting there during the past week returned home with her.

T. S. Furlow and family returned Sunday from Nacogdoches where they spent their vacation with relatives. Mrs. Furlow's sister, Miss Lillie Groft returned home with them for several weeks visit.

Guests in the C. A. Murray home this week are Mrs. Murray's sister, Mrs. Oswald Cole and two daughters, Ruth and Jane, of Rule, Tex.

IN THE WORLD OF SPORTS

With Two Great Gray Speedsters in the Running, Harness Race Followers Eagerly Await Goshen's $40,000 Hambletonian Classic

Top flight favorites in the coming Hambletonian classic are Greyhound, shown left above with Sep Palin up, and Silver King, pictured above with a fair companion.

BY PHILIP MARTIN

THE harness horse world, looking forward to the $40,000 Hambletonian stake as followers of the runners do the Kentucky Derby, visions one of the greatest races in the history of this trotting classic at the historic Goshen, N. Y., track on Aug 14.

And for the first time since inauguration of this 3-year-old stake, two gray colts are going to the post as top flight favorites.

Greyhound, reputed to be as sleek and as fast as his name indicates, is one of this striking pair. Silver King is the other, probably the most handsome horse ever booked to start in the Hambletonian.

Greyhound, early in the present Grand Circuit season, lowered his mark from 2:04¾ to 2:04¼, beating Lawrence Hanover, world's champion 2-year-old of 1934.

Owner of Greyhound is E. J. Baker, St. Charles, Ill., horseman, and handling the reins over the speedster is one of the best of the "Roaring Grand's" drivers, Sep Palin.

Silver King, owned by E. J. Merkle, Columbus, O., is trained and piloted by Ben White, clever at guiding Futurity colts to victory. His mark is 2:06, gained last year as a juvenile performer.

• • •

MAKING it harder than ever for a choice between the gray speed marvels is the fact that while Greyhound won the most races as a juvenile in 1934, Silver King brought his owner more money in purses.

Another threat in the Hambletonian is Lawrence Hanover, beaten once this year by Greyhound, but retaining the prestige of the 2-year old championship of 1934. However, Lawrence has a prima donna complex, which may react against him in the big stake.

Six other horses are given a good chance to trot first under the wire in the Goshen classic. They are Prince John and Guardsman, trained by Walter Cox at Goshen; Tilly Tonka, owned by C. W. Phellis, New York, and trained by Fred Egan; Zillah Hanover, of the Hanover (Pa) Shoe Farms; Volo Arion, one-eyed colt owned by William Stubley, Newburgh, N. Y.; Miss Kate B., owned by W. N. Reynolds, Winston-Salem, N. C.; and Pedro Tipton, owned by H. Stacy Smith, Newark, N. J.

But the eyes around the Grand Circuit are trained on the two grays and smart observers incline to the belief that one of them will con the rich purse.

"....and the News delivers your 'store news' to HOMES like these."

It is in these homes that the vast majority of Canyon's "buying decisions" are made, whether the purchase be one directly concerning every member of the family or an individual purchase by an individual member of that family.

You as a merchant should therefore, be sure that your "store news" is being placed in the hands of ALL of these potential buyers BEFORE these family "buying decisions" have been reached.... To do so economically

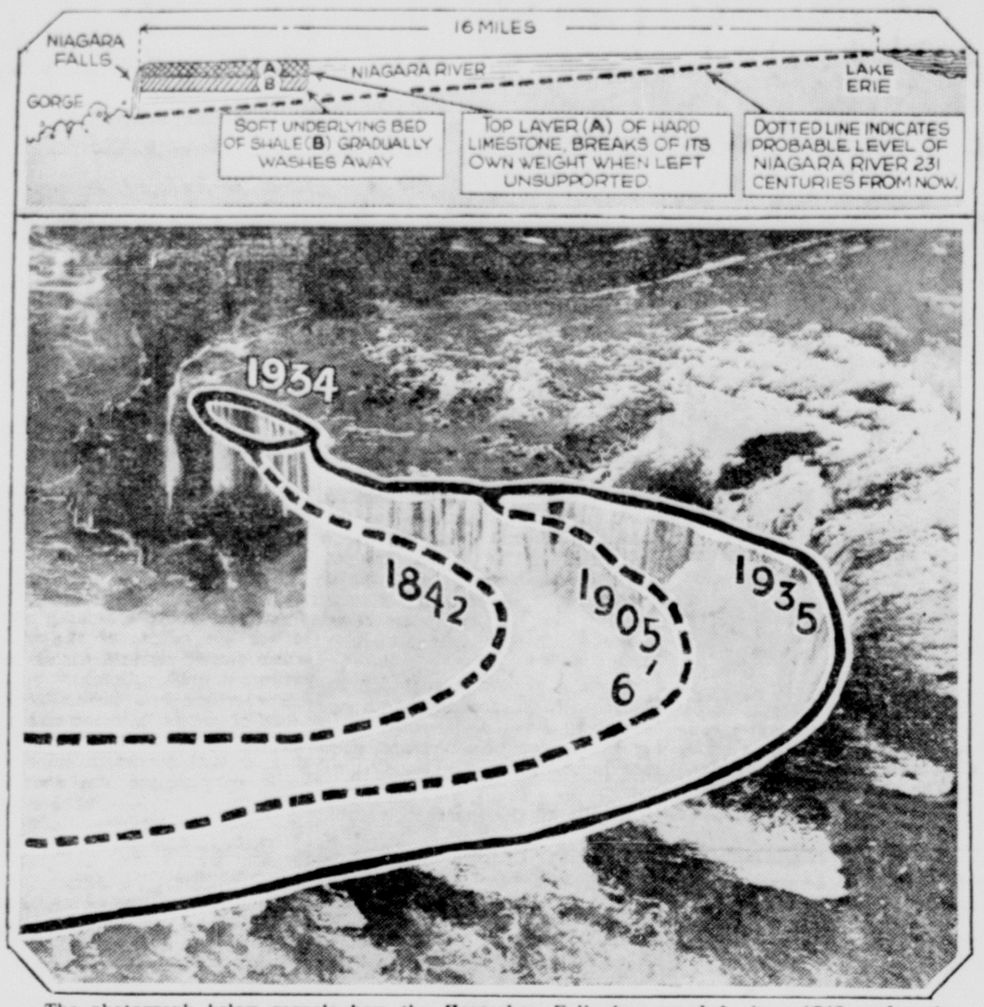
Nature Destroying Beautiful Niagara, Her Own Creation, Geologists Say



The photograph below reveals how the Horseshoe Falls has receded since 1842 under the effects of erosion. The above chart illustrates why the Falls may disappear in future centuries.

FOR generations brides have raved rapturously to bridegrooms over one of the most magnificent spectacles in this part of the world—Niagara Falls.

But distant descendants of these same newlyweds may have to share post-marital bliss at a Mars crater resort, or some other future mecca for honeymooners. There will be no Niagara Falls then; at least, so scientists predict.

Devouring its own bed, Niagara Falls is retreating up the river at a rate of approximately four feet a year. By the 231st century, the Falls will have receded the 16 miles to Lake Erie, and have become a tumbling, cascade-dotted river.

Ironically, the natural process which made Niagara Falls possible is now gradually erasing it.

Some 50,000 years ago, the short river running from Lake Erie to Lake Ontario "first spilled over the dolomite ledge at Lewiston" (near the Ontario end of the river).

During those 500 centuries the Niagara river has never ceased digging, biting, and undermining the rock in its bed. In this manner were created the great cliffs over which roar and plunge thousands of gallons of water daily.

In this manner will those cliffs be dissolved until, in the year 23053, geologists estimate, Lake Erie waters will surge to Lake Ontario on a level, though turbulent course.

Nature has been aided considerably in her erosion work by the makeup of the land underlying the Niagara river. The water plunges over a bed of hard dolomite, or limestone. Underneath lie successive strata of soft shale and sandstone.

• • •

WATER and spray nibble away at the soft layers until, lacking support, thousands of tons of rock making up the hard surface tumble into the gorge with a thunderous crash that drowns the roar of the Falls.

It is when this happens—as it did in 1931 and 1934, when Niagara "bit its lip" to the extent of first 75,000 and then 30,000 tons of rock — that the public learns what insidious erosion is doing to the majestic Falls.

Can Niagara be saved? A report published by the International Niagara Board in 1930 indicates that it can. Weirs resembling natural rock ridges and placed, submerged, across the current would, according to the document, divert some of the water to the thin American Falls or to the naked flanks of the Horseshoe Falls. Such diversion would spread the flow evenly over the whole brink and retard erosion.

A condition of the scheme was that Niagara power companies were to tap some of the diverted water. It was because of this clause that the U. S. Senate has failed to emulate the Canadian parliament in approving the plan.

Meanwhile, rock falls in huge blocks weighing thousands of tons, and nature continues inexorably to level one of the greatest natural marvels of the Western Hemisphere.

Forty Students On Summer Tour

Group Left Tuesday for First Stop-over at Raton, N. M.

Approximately forty people left Tuesday at noon on the Summer Educational Tour of the United States sponsored by the West Texas State Teachers College.

They expect to reach Raton, N. M., to spend the first night of the trip.

Lela E. McKinney of Loredo has the honor of coming the farthest to make the tour. She has been visiting in San Antonio.

Alman Sweat who went on the tour last year will drive the Packard that pulls the aluminum colored cafeteria truck.

Texas Technological College will be well represented on the tour by a car load of students.

Baggage and sleeping equipment were brought to the agriculture laboratory this morning before 8 o'clock.

The party will return to Canyon August 23, in time to take the final examinations on the campus August 24.

Fairview Breezes

We had more out for Sunday School Sunday than we have ever had. There was a number of new members. Rev. Odom rendered a good sermon. Both Sunday morning and Sunday evening. Our B. T. U. Program was very good also.

Remember Sunday is singing day. Fairview is expecting every one of you. The people of Fairview are going to have iced tea for everyone during the day.

Martha and Jack Sutton spent Saturday night in Happy.

Mrs. Fred Hext and Beatrice Wesley visited in the J. W. Wesley home Saturday evening.

Mr. and Mrs. Lee Wesley and son, visited friends and relatives of this community during the past week-end.

Mrs. C. M. Rogers had as guest Sunday, Leona and Geraldine Sharps, Mr. and Mrs. E. M. Wilson and family.

Visitors in the H. C. Evans home Sunday were Mr. and Mrs. J. W. Wesley and Arlen Ray, Mr. and Mrs. Elvin Wesley, and Silas Evans.

Erma Mae Sutton and Lola Carr spent Monday night with Mr. and Mrs. Elvin Wesley.

Mr. and Mrs. A. E. Wesley and family, Mr. and Mrs. Bud Sutton and family were guests in the Belle Washburn home Sunday.

H. B. Wesley attended the rodeo at Tulia Monday.

Miss Vivian Carruthers spent the week-end with Mrs. Serena Bryan.

Meet us at Fairview Sunday. Bring a covered basket and let us all enjoy the day.

Even if women do have more sense than men, who ever saw a man wearing a shirt he couldn't button?

Pleasantview News

Mr. and Mrs. Jack Wester and Mr. and Mrs. John Jennings visited in the Henry Meyer home Sunday.

Mr. and Mrs. M. O. Slack, Mrs. T. V. Slack and daughters shopped in Amarillo last week.

Calvin Middleton and family visited in the home of F. D. C. Middleton last week.

Mr. and Mrs. Sam Lamen of Dimmitt visited their sister, Mrs. D. F. Dooley, at the M. W. Dooley home yesterday.

Callers in the M. W. Dooley home Sunday were Misses Olive and Belle Schramm, Mr. and Mrs. Gilmar Lamen and Mr. and Mrs. Terrill Lamen and family.

Mr. and Mrs. James Jennings called at the T. V. Slack home Monday.

Mr. and Mrs. Milton Dooley and family and relatives shopped in Amarillo Monday.

Mr. and Mrs. Joe Crowley and children visited in the M. W. Dooley home Monday night.

Mrs. H. L. Heiser and Mr. and Mrs. Omar Hensley were callers in Hereford Sunday.

Mrs. D. F. Dooley and daughter, Mrs. Frieder and children, left today for Carlsbad Cavern.

Beulah Brasuel spent the week end with Jean Slack.

Jowell Items

Everybody is happy because of the rain which fell Monday.

Mildred Scott visited last week with her aunt and uncle, Mr. and Mrs. R. N. Byrd of Amarillo.

A large crowd enjoyed a birthday dinner at the J. J. Leavitt home Sunday.

Mr. and Mrs. Joe Cox and Helen Joe, went picnicking and boat riding at the McSpaddin lake Sunday evening.

Roy Byrd, Jr., visited Billy Scott last week.

Wilbur Leavitt is recovering from the burn he received on his face last week.

Mr. and Mrs. Garvin had as their dinner guests Sunday, Mr. and Mrs. Louis Hinders, La Verne, Junior and Raymond, and Mr. and Mrs. Virgil Dodson.

Abbie Leavitt visited in the O. M. Scott home last week.

Everyone in the community is happy to know that Elaine Cox who has been very ill is recovering in the Northwest Texas Hospital. We shall be glad when she is able to be with us again.

Mr. and Mrs. C. P. Robertson were dinner guests of her mother, Mrs. Springer, of the Ralph community Sunday.

Warren Landrum and family, formerly of this community, are moving to La Mesa, soon. Mr. Landrum has a job with the government in the erosion program.

Don't tell your troubles to others. They may inflict you with a greater bunch of their own.

The best place to have glasses fitted is at Dr. Hyden's, Amarillo. 38tf

Allen Named McLean Coach

Will Compete With Teams Coached By Former Teammates

Bill Allen, stellar guard of the W. T. Buffaloes football team of 1934, was named head coach of the McLean Tigers at a meeting of the school board there recently.

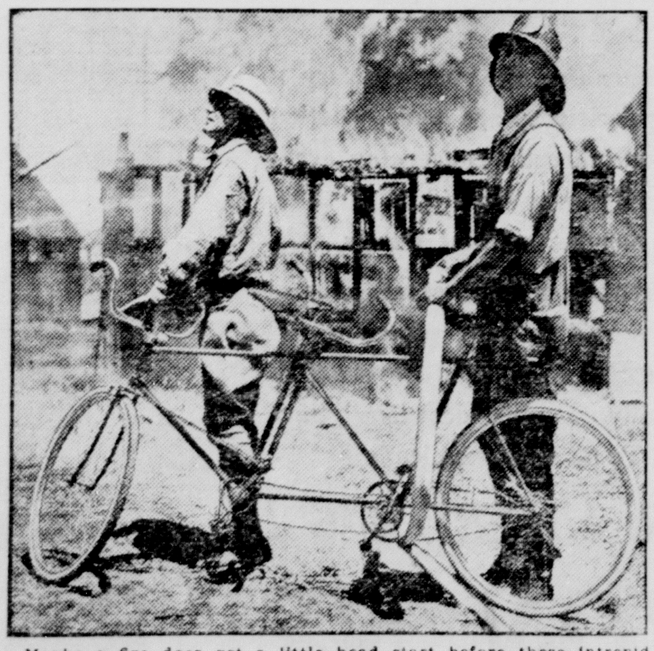
Mr. Allen played with the Amarillo College Badgers, holding down a guard post for two years. He then entered Louisiana State University, playing under Captain Biff Jones. He finished his grid career last winter with Coach Al Baggett, his mentor in Amarillo College. He receives his degree from the College this summer.

In placing a football team on the field this fall, Allen will face teams coached by two of his former teammates, John Walker, assistant coach of the Shamrock Irishmen, former Buff captain, and Bob Clark now coaching the Wheeler Mustangs. Clark played with Allen on the Amarillo College eleven.

Allen will stress the Warner system of double and single wing back plays.

The skill needed to reduce the amount of material used is a big item in the cost of women's dresses.

A Bicycle Built for Two—Firemen!



Maybe a fire does get a little head start before these intrepid firemen get there, but when they arrive, on their trusty tandem bike, it's not long before the "hot time in the old town" has ceased. Chief Ed Genashchi and his "chauffeur," Slim Whelan, are shown as they arrived on the scene of a fire at Campbell, Wash.

W. T. All-Stars Defeated Amarillo Team Friday

The W. T. All-Star softball team defeated the Amarillo Laundry squad 5 to 2 in a well played game Friday night. The game was a special feature of play night at Buffalo Field.

Batteries for the two teams were: Wilhite, Howell and Laws for the All-Stars, and Mason and Bettis for the Laundry.

The game was fast from start to finish, but the W. T. team seemed to like Lefty Mason's cannonball and knocked it to the far corners of the field.

This was the second game won over one of the best teams in Amarillo. The W. T. team defeated Oakes Agency here June 28.

Any team wishing to play the All-Stars is asked to write or phone Bob Cox. Write box 217 or phone 88 at Canyon.

A crowd of 500 persons saw and took part in play night last week.

Canyon Mavericks Club to Contest Amarillo Friday

Maverick club No. 1 of Amarillo will tangle with club No. 2 of Canyon in the opening softball game play night Friday.

The second game will be played by the Panhandle all-star team and the Canyon all-star team. The Panhandle club is coached by Slick Naylor, former W. T. summer student who teaches in the Panhandle schools. The Panhandle team has not been defeated this season, according to reports from Panhandle.

G Men Give Show a Big Hand

This huge hand, revealing the whorls and ridges by which fingerprints are identified, formed an interesting G men exhibit at a western fair. In addition, a record number of fingerprints of visitors were taken, and their owners later identified, to demonstrate this efficient branch of criminal investigation.

STAFFORD HALL TO SUIT TASTE OF FASTIDIOUS

Living Quarters to be Arranged on Second Floor

SPONSOR HAS SUITE

Fee of $2.50 to be Paid at Time of Reservation

"This dormitory for men will meet the tastes of the most fastidious," said Dr. J. A. Hill speaking of Stafford Hall, new college dormitory for men now under construction.

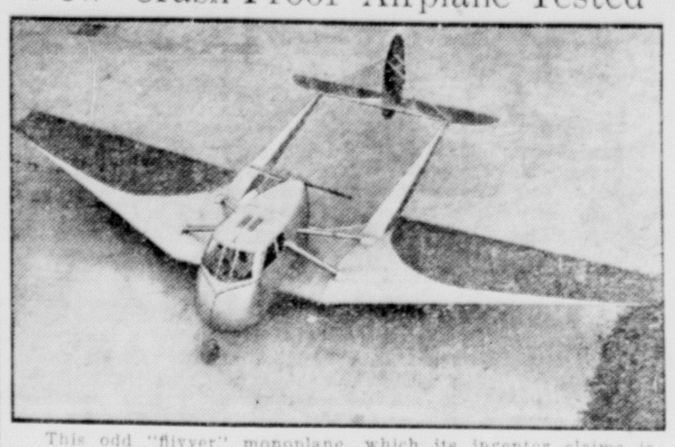
The second floor will be used for living quarters, built into suites of two rooms—bed room and study room. The suites will be coupled with a bath room for each two suites. Single beds and ample closet space will be afforded each boy. A buzzer will be installed for each boy. All rooms will have floor coverings.

On the first floor the dining room and social room are connected to give adequate space for entertainment. A separate suite of rooms will be furnished the sponsors of the new dormitory. A trunk room will be arranged for storing baggage.

"Boys wishing to make reservation for rooms should make them at the business manager's office. A fee of $2.50 should be paid at time of reservation," says Dr. J. A. Hill.

The contractors plan to have the building ready for opening by Sept. 15.

New 'Crash-Proof' Airplane Tested



This odd "flivver" monoplane, which its inventor claims is absolutely crash-proof, and unable to spin, dive, or "nose over," has been tested by the bureau of air commerce, for which 15 of them have been built. Possessing a cruising speed of 110 miles an hour, the ship, it is claimed, can be flown safely by the average person with less than three hours' instruction.

and Mrs. C. P. Robertson of the Jowell community, Mr. and Mrs. S. S. Howell and baby Teddie, Mr. Boyce and Ted Springer of Happy, Miss Katherine and Preston Springer.

Mr. and Mrs. W. A. Cates and son, and Mrs. I. M. Cates of Crowell, motored to Dimmitt Sunday.

Elan Hill of Canadian spent the week-end in the parental D. S. Hill home.

Everything for the office at Warwick's.

NOTICE OF SALE OF REAL ESTATE

WHEREAS, by decree of date May 17, 1935, entered by the District Court of the United States for the Northern District of Texas, Amarillo Division, in cause No. 469, in Equity, wherein California-Western State Life Insurance Company was plaintiff and G. T. Oliver, A. Holmes, Nancy N. Holmes and Amarillo Development Company were defendants, the said defendants were decreed to pay to the plaintiff the sum of Eleven Thousand, Seventy-two and 36-100 ($11,072.36) dollars, with interest at 10% per annum from said date and all costs in said suit, and it was provided that in default of such payment within thirty days the said defendants and all persons claiming under them should be barred and foreclosed of all equity of redemption in and to the real property hereinafter described and the said property should be sold by the undersigned, who was by said decree appointed Special Commissioner to make said sale; and

WHEREAS, the said sum has not been paid to plaintiff and plaintiff has requested that said sale be held; now therefore

NOTICE IS HEREBY GIVEN that on the first Tuesday in August, 1935, same being the 6th day of said month, between the hours of ten o'clock A. M. and four o'clock P. M., I will offer for sale to the highest bidder for cash at the court house door in the City of Canyon, Randall County, Texas, all interest of said defendants, or any of them, or anyone claiming under them pending said suit, in and to the following described real property, to wit: 655 acres of land in Randall County, Texas, being all of Section 19, Block 1, Certificate 58, issued to the Tyler Tap Railroad Company, and will apply the proceeds of said sale in accord with the terms of said decree.

Dated this the 2nd day of July, 1935.

B. O. TAYLOR,
Special Commissioner.

WHY PAINT

YOUR HOME SO OFTEN?

Perhaps that question does seem strange, coming from a paint dealer. Nevertheless, we know that you won't have to paint so often if you use LOWE BROTHERS HIGH STANDARD House Paint. For HIGH STANDARD is a paint that stays new and bright much *longer* than paints of inferior quality which can be bought at lower price.

And of course, a paint that stays nice for an *extra* number of years, cuts many dollars from the per year cost of a paint job.

Come in, and let us give you a free copy of LOWE BROTHERS instructive book, "101 Questions About Painting and Decorating."

Museum Receives Indian Articles

Dr. R. Goettsche Lends Cheyenne Relics to Pioneer Hall

A Cheyenne Indian collection of thirty articles has been lent by Dr. R. Goettsche of Higgins to Pioneer Hall, the Panhandle-Plains Historical Society museum. The collection arrived at the Hall Friday.

Among the articles are an Indian saddle of antelope horns, the same type used when fighting the white men; a head-dress, a warbonnet, a comb, purses, a war club with a buffalo tail drawn over the handle to make it more ferocious; an imitation of a shield to be used front and back (charge and retreat); a lance, both for fighting and killing buffalo, and two Indian games, one made of the toe bones of antelope.

Dr. Goettsche was given the collection by the Cheyenne tribe with which he has for years had friendly connections.

It is rumored that Dr. Goettsche recently refused an offer of $500 for the collection. He has been interested in the museum since it was founded, was one of the first members of the Panhandle-Plains Historical society and several years ago donated a small collection of fossil remains.

Prof. L. F. Sheffy and Prof. C. S. Johnston brought the collection to Canyon. It will be on display as soon as cases can be prepared.

Zoologists From Harvard Visit Here Tuesday

Dr. T. E. White and L. I. Price, research associates for the Harvard Museum of Comparative Zoology, visited the campus and Palo Duro Canyon Tuesday.

They had just returned from a two-month expedition to the red beds of New Mexico where they collected one of the finest specimens of phytosaur, an alligator-like animal, in existence. The fossil, a young phytosaur about fourteen feet long, is estimated to be 225,000,000 years old. It lived in the Triassic Era. The specimen is unusual because all the plates of its armor-like body are in position.

Dr. White and Mr. Price will leave in November for Southern Brazil where they will spend a year studying and collecting vertebrate fossils.

They are spending a month in Texas investigating red bed vertebrates.

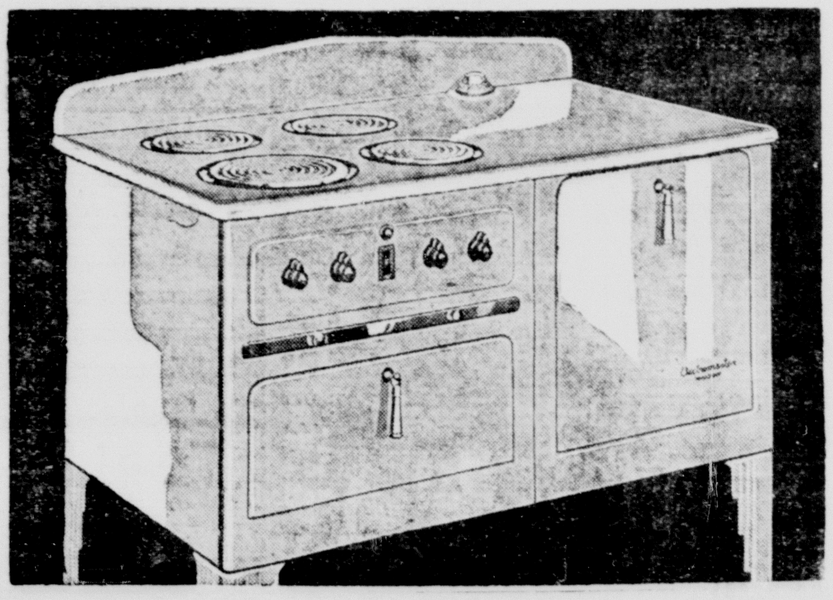
Enjoy Cool Cooking



Just close your eyes for a minute and picture your own kitchen with this graceful, clean-cut, strictly modern electric range in the spot now occupied by your present stove.

But don't stop with the beauty of the range itself; picture also the freedom from the disadvantage of old-fashioned cooking methods. Cool, clean, airy kitchens make a delightful place to work—on any sort of day! These are the kitchens in which WALDORF has found a place.

WALDORF uses all the heat for cooking.

These ranges are priced $74.50 and $99.50 installed.

May be purchased for as low as $4.50 down and $2.65 per month on your service bill.

With the application of our ultimate rate for residential service many can cook for less than $1.00 per month.

TEXAS UTILITIES COMPANY

Amendments

(Continued from page one)

this pension to the State would run between forty and fifty million dollars annually. No provision is made for the income. It would be up to the Legislature to determine where the money would come from. The Legislature would have to enact such laws as it deemed proper to utilize the right granted by the amendment. The Legislature might do this at once, or some time later—or for that matter not at all. The amendment is permissive and not mandatory, though few doubt that some form of old age pensions would be enacted if the amendment is adopted in August.

Proposed Amendment No. 2
Temporary Commitment of Insane

Proposition No. 2 on the August 24th special election ballot has to do with the temporary commitment of insane persons, preliminary to a trial by jury.

Under the present Constitution whereby everyone is guaranteed a jury trial, it is impossible to commit a mentally ill person to an institution for treatment or observation without the necessity of a jury trial. It has been pointed out that this is often very inconvenient and embarrassing.

The proposal, according to Secretary of State Gerald C. Mann, if passed, would authorize the Legislature to pass such laws as would permit mentally ill persons to be confined by County Courts in institutions, presumably, or under the care of physicians or experts for a period of ninety days prior to a jury trial. It is presumed that the ninety day period of confinement would be for the purpose of observing such person.

The provisions would apply only to persons not charged with a criminal offense.

The amendment specifically sets out that the right of trial by jury shall remain inviolate, but that in the particular case of insane persons a confinement period of ninety days for observation may be prescribed without the necessity of a jury trial. At the end of that time a jury trial would be had.

Proposed Amendment No. 3
Repeal of Liquor Prohibition

Probably chief interest in the August 24th election on the seven proposed Constitutional Amendments will center on Proposition Number 3 on the ballot—the repeal of Prohibition, according to Secretary of State Gerald C. Mann.

The Constitution, at present, prohibits the sale, manufacture and transportation of alcoholic liquors (except 3.2 beer). This prohibition would be stricken out by adoption of the Repeal Amendment.

The proposed amendment specifically prohibits the return of the open saloon—and it would be up to the Legislature to define the term "open saloon."

No machinery is set up for the sale of liquor. The Legislature would have the authority to determine just who and just how liquor is to be sold. This could be done by State monopoly or through private channels. The Legislature would have the authority to pass laws regulating local option elections.

If the amendment is adopted all counties, cities and precincts that were dry in 1919 when statewide prohibition was adopted would be dry now—at least until local option elections were held to determine otherwise.

It is well to remember, Secretary Mann points out, that there will be an election next year in November to determine whether the State shall sell liquor through a State Monopoly system. If the repeal amendment is adopted in August the State MAY establish a state control and monopoly system. If the repeal amendment is defeated in August, it will in effect be submitted again in November, 1936, in the State Monopoly Amendment which says the State SHALL have a liquor monopoly. To retain the present dry status both the August 24th Amendment and the November, 1936, Amendment must be defeated. Passage of either will repeal the present prohibition section of the Constitution.

Proposed Amendment No. 4
Submission of Amendments at Special Sessions of Legislature

At present the Legislature can submit proposed changes in the Constitution only at regular sessions—held every 2 years.

Proposal Number four on the ballot for the August 24th election would revise the Constitution to permit the submission of amendments at special sessions. It is pointed out that in emergency cases, particularly on relief matters, that it might be necessary for Texas voters to vote on an emergency measure at a time, when the regular session of the Legislature is quite far distant in the future.

The original purpose of the provision which makes submission possible only at regular sessions was to make the fundamental law hard to amend and change. Two schools of thought are at variance here. The one believing that the Constitution should be easy to change—particularly in emergency cases, and the other that every safeguard should be placed around it to make it difficult to change.

If the proposed amendment is adopted the legislature in any special session can submit proposed amendments to the voters—provided such amendments are submitted by the Governor for the legislature's consideration. If the amendment is rejected the present system will obtain; that is, constitutional amendments can be submitted to the people only at the regular sessions of the legislature.

The 44th Legislature submitted thirteen amendments to the voters—seven in August of this year and six in November of 1936. These were all submitted during the regular session. Under the proposed change the 44th might yet submit additional amendments for the voters' consideration.

Proposed Amendment Number 5
Suspended Sentence or Probation Amendment

Proposition Number 5 on the ballot of the August 24th special election reads: "For (and Against) the Amendment to the State Constitution authorizing the Courts to place defendants on probation."

Proponents claim that if this amendment is passed, many who are now sent to the penitentiary for first offenses will be permitted to enjoy suspended sentences under restrictions of the court.

The only restriction under the present suspended sentence law is the fact that the defendant must not be convicted of a felony—that is, a crime punishable by confinement in the penitentiary. The judge or court has no control nor can it set up or impose any other restrictions.

It is the understanding of those who have studied the amendment that if passed it would permit the Legislature to pass laws giving the courts the right to suspend sentences and place defendants on such probation as the court might deem proper. In other words the court could suspend sentences subject to certain limitations. If those restrictions or limitations were not observed the Court would have the authority to have the defendant committed to the penitentiary without further ado. Many courts now refuse to grant suspended sentences for the reason that they have no control over the defendant after the same is granted. It is pointed out that this would prevent many first offenders from having to go to the penitentiary and reclaim many of them for society.

If a suspended sentence is given under the present law the only limitation is that the defendant must not be convicted of a felony. The court has no control over him nor can it impose other conditions.

Proposed Amendment Number 6
Abolishing Fee System for Paying Officials

Two years ago a Senate investigating committee discovered a number of flagrant abuses of the fee system as practiced in Texas for recompensing certain public officials. The fee system was established and written into the Texas Constitution at a time when it was impossible to pay salaries and the theory was that an official was entitled to "all he could make." Since the Senate committee discovered and revealed the malpractices existing under the system there has been a demand for a Constitutional change on this score, according to Secretary of State Gerald C. Mann.

Proposed Amendment No. 6 on the ballot provides that the fee system as a method of paying certain precinct, county and district officials shall be abolished in counties having 20,000 or more population according to the last Federal census. The Legislature will, if the amendment is adopted, set the salaries for officials now receiving fees in such counties. In counties of under 20,000 population the Commissioners Courts may put their county and precinct officials on a salary basis if they so desire. The amendment does not specifically state who shall set the salaries of such officials in this case.

If this amendment is adopted all district officers must be compensated on a salary basis.

The amendment provides that fees shall continue to be collected as at present but they will go to the county instead of the officer. The evident purpose of this amendment is to place as many public officials on straight salaries as is possible and thus abolish, insofar as is possible the payment of officials through the present fee system.

Proposed Amendment No. 7
Free Text Books for Private and Parochial Schools

The Texas Constitution at the present time provides that the State is without authority to furnish free text books to other than public schools. Proposed Amendment number seven on the ballot for the August 24th election would permit the State to supply free textbooks to all schools, private and parochial. Such textbooks, it is presumed, to be the same as used in the public schools.

Advocates of this amendment state that this would entail no additional expense because the State now purchases more books than are necessary. However, this point is merely one of the claims made and has not been substantiated by the Secretary of State. Advocates point out that they pay taxes to support public schools but that if they choose to send their children to private or parochial schools the least the State can do is to supply the textbooks free.

Probably the most important and less publicized provision of this amendment is the fact that it proposes to rewrite Section 5 of Article Seven of the Constitution so as to permit the apportionment of school funds on some other basis than scholastic population.

For many years there has been considerable agitation in certain quarters to abolish the "school census" or scholastic population system of apportioning school funds and substitute in lieu thereof the "average attendance" basis or some other basis. The Legislature would determine just how this was to be done, if this amendment is adopted.

If adopted this proposed amendment number seven would mean, in effect: (1) that the State would furnish free textbooks to pupils in all the schools of Texas; and (2) that a new basis for apportioning school funds other than the scholastic census basis, could be set up.

EPISCOPAL CHURCH

Rev. Warwick Aiken of Plainview, will preach and conduct the service of Evening Prayer at this church next Sunday night, July 21st, at eight o'clock.

Mrs. Page's Bible Class will be held as usual Sunday morning, at 9:45 in the church.

All interested are invited to both meetings.

'Death Valley Scotty' Turns Up Again

"Death Valley Scotty" (Walter Scott) is in the news again. The west's eccentric, almost legendary figure, shown left, has been reported ill in a Randsburg, Calif., hospital, during one of his rare visits to "civilization" from his $200,000 desert home, shown above. Since Scotty emerged from Death Valley several decades ago, loaded with gold obtained mysteriously, he has from time to time startled the nation with his exploits. Some years ago, he hired a train for $25,000 to speed him from Los Angeles to Chicago.

Objectives

(Continued on last page)

Camp ground section in the same area, provided with facilities so that tents may be pitched for over night.

Water and toilet facilities for this large picnic area.

Completion of the Park entrance walls, office building and storage tank.

Disposal tank for the lodge and cabins at the lodge.

Adding clean-out gates in the dam, made necessary by the large amount of silt which collects after every big rain.

Building bridges or low water concrete crossings at the seven crossings between the entrance and Cow Camp.

Adding another 11,000 gallon water storage tank for Cow Camp. One tank is now being completed.

Erecting barriers along the present improved road to prohibit promiscous driving on by-roads, which is killing off the vegetation.

Building a country store and concession building at Cow Camp.

Building a small amphitheatre near Cow Camp to seat about 500 people. A large amphitheatre might follow near the rim.

A small community center building near Cow Camp where small meetings could be held.

Corrals and barns west of the lodge for saddle horses, and smaller corrals near Cow Camp.

Providing adequate parking space on the rim near the lodge.

Making the lodge more attractive, even in its unfinished condition.

Building a service house near lodge.

Building garage near lodge.

Restoration of Goodnight dugout.

Improving horse trails.
